PERTH METRO

**F**irmly established on Perth's idyllic coast since 1905, it was 2010 that marked the year this iconic venue was taken over by a hospitality group intent on bringing the building back to its former glory.

In 2013, Cottesloe Beach Hotel reintroduces the ever-popular garden (now known as the Beach Club), offering a range of bars, unique function spaces and dining areas perfect for a range of group sizes and events, from launch parties and weddings to birthdays and corporate workshops.

The venue can even provide a place to lay your head at the end of the night, with the newly refurbished hotel offering 13 rooms, 10 of them with stunning sea views.

The Verandah Bar is perfect for small, low-key events, while Cott104 Bar provides a private space for small corporate events and cocktail functions.

For weddings and corporate groups looking to escape the hustle and bustle of the CBD, the Sunsets Room is a relaxed environment that seamlessly transforms for the perfect sundowner event. With art deco features highlighting the hotel's colourful history, the relaxed, modern and funky vibe of Cottesloe Beach Hotel makes it the perfect place for your next special occasion.
