GRAPHIC DESIGN

The geometric metallic edging of this statement mirror - 'Haynes' by Egg Collective (try 1st Dibs; 1stdibs.com) - is reflected in the pattern of these bright 'Geo_UN_45' tiles from Entic Designs (£111 per square metre; enticdesigns.com). To add extra drama, interior design studio Hecker Guthrie (heckerguthrie.com) has continued the tiling up onto the skirting. The light pictured here is the 'Mass' brass design by &Tradition (£146, Made in Design; madeindesign.co.uk), and the 'Latis' basin is by Omvivo (£1,890, 23 Degrees; 23degrees.co.uk) ►
