New Melbourne restaurant The Millswyn is an on-trend ode to simplicity. Paul Hecker and Hamish Guthrie have paired an oh-so-soft palette and Shaker-inspired furniture for a quietly elegant result. This look, popularised by UK designer Ilse Crawford, takes on its own distinct character when united with southern sunlight.

White Duck paint from Dulux. Custom-designed furniture and fittings sourced by Hecker Guthrie, www.heckerguthrie.com. The Millswyn, www.themillswyn.com.au.
