"THIS DYNAMIC
POWDER ROOM
IS THE PERFECT
FIT FOR TWO
GRAPHIC
DESIGNERS
AND THEIR
YOUNG FAMILY."
- PAUL HECKER

MODERN MOORISH

Tiling a bathroom in floor-to-ceiling yellow mosaics is sure to brighten the day for all who use it. The golden glow that emanates from the tiles is complemented by the dramatic accents of black in the accessories, tapware and lighting, which results in the effective anchoring of the space. Multidisciplinary practice Hecker Guthrie has successfully created a sense of fun in what could have been an otherwise ordinary space.
